

YOUR CHOICE FOR OUR AREA

Results in the last local election here in 2023 (two seat ward).

Voters across all parties have recognised how hard-working your local Liberal Democrat councillors have been since the last election in 2023.

Jake Beavan is the perfect successor to all of the amazing work that Nigel Rock has done for our area, working alongside Natalie Gist.

The last election was a close result between Liberal Democrat and Conservative.

Labour and the Green Party came a very distant 3rd and 4th here last time.

Vote Liberal Democrat so that we can keep working hard for Bishop's Itchington, Fenny Compton and Napton.

Your Liberal Democrat candidate for the upcoming District Council by-election:

JAKE BEAVAN

Your local champion for Bishops Itchington, Fenny Compton and Napton

Jake **BEAVAN**

Liberal Democrats

My commitment to our area:

I'm Jake, I live in Napton on the Hill with my wife Laure and two energetic boys. I love this corner of Warwickshire with its rolling hills, working countryside and great pubs - I wouldn't want to raise my family anywhere else!

Nigel Rock has given many years of service as councillor for our communities. So when he decided to retire for personal and health reasons, I was honoured to be asked to stand in his place. I hope to continue his good work alongside Natalie, as a strong and effective team covering the whole area of this large council ward.

I work for a well known national advice charity. I have dedicated my professional career to giving people the knowledge and power to solve all sorts of problems with government services, banks, councils and utility companies. I want to bring those skills to make sure that our area has the continued local representation that we deserve.

It would be an honour to serve our community as your new District Councillor.

Jake

My priorities for our area are:

- 1. Listen and involve you. Politics needs more listeners, and decisions should have local input.**
- 2. Campaign for a South Warwickshire Unitary Authority to keep local decision-making close to our community, not Nuneaton.**
- 3. Fight for more local infrastructure. Natalie has helped secure a new sports pavilion and playground in Fenny Compton. Bishops Itchington needs a new pavilion and we desperately need a new surgery in the area.**

Working hard for Avon Dassett, Bishops Itchington, Farnborough, Fenny Compton, Napton on the Hill, Priors Marston, Shotteswell, Warmington and surrounding villages
